Support shift handover - reference annex

CURRENT REFERENCE; named scope only

Controlling reference for support shift handover. Case ownership is an operating duty, while transcript retention is a records-management obligation.

The customer records schedule retains handover transcripts for nine months; the shift guide contains no deletion schedule.

Apply only the activity and conditions named in this annex. An operational guide cannot be used to invent an absent commercial rate, compensation clause or retention term. Where an entity-specific negotiated term is requested, the general policy is not sufficient evidence.
